Notes:

- Rink 3 is adjacent to a high school.
- This rink is big and bright!
- When you enter the building...
 - The lobby/registration will be directly in front of you as you enter the building and go through the double sets of doors.
 - Concessions will be on your left
 - The rink will be on your right
 - Locker Rooms are located at the ice surface level; downstairs
 - These rooms are often crowded. If necessary one parent can accompany the skater into the locker room; remaining family members should stay in the lobby or bleachers.
 - Results will be posted down the hallway - off of the lobby area
 - Please be quiet in this area as school is in session on Friday

Driving East on Jelinek – Make a Right into Parking Lot.
Enter Building with Staircase in Front of It – Which will Place you on the First Floor

As you enter through the foyer skaters can get to the locker rooms on the lower level through a door to the left.

Only one person should accompany the skater to the locker rooms.

Notes for Skaters: Rink feels much bigger than what you are use to and is much, much brighter.

You'll enjoy it!

Bleacher seating is available through glass doors on the right of the lobby.
The bleacher area in this rink is warmer!!
